

Trinidad and  
Tobago is called  
a Rainbow  
Country.

This is because  
we have such  
a wide range  
of cultures,  
histories and  
skin color  
coming together  
here.

It also results in  
a LOT of  
holidays!

There are  
many fields  
where people  
of all ages  
play football  
in Trinidad.
